

6/9/10 Notice for Ohio residents in Fulton, Ottawa and Wood Counties

With the recent severe weather events in your state, we realize there are more important issues than worrying about how to pay insurance premiums.

If you were impacted by severe weather and have questions or concerns about your policy or payment options, please contact our customer service team toll free at 1-800-247-2190. If your payments are automatically deducted from your checking or savings account, we will continue this process as usual. However, if you need additional time to make a payment, please contact us to make alternate arrangements.

We appreciate your business and hope you, your family and friends are safe.
